ORDER

Ministry of Housing & Urban Affairs, Embassy of Israel in India and IIT Madras jointly organized a series of Capacity Building Programme (total 4 workshops) on Urban Water Management issues with an aim of Capacity Building of officials.

2. As per G.O read as 1st, 2nd and 3rd paper above, sanction has been accorded to Shri. Sandeep. K.G, Chief Engineer, Local Self Government Department to attend the 1st, 2nd, 3rd and 4th workshop at IIT Madras.

3. As per the letter read as 4th paper above, Ministry of Housing and Urban Affairs (MoHUA) has informed that, in collaboration with Embassy of Israel in India, exposure visit to Israel has been scheduled from 22nd June to 27th June 2025, for the officials who have successfully participated in all the previous training programmes held at IIT Madras to gain first hand knowledge of Israel's leading practices in Urban Water Management, desalination, waste water reuse, and advanced water technologies.

4. MoHUA has also informed that MASHAV under the Government

of Israel will bear the cost towards logistics including lodging, boarding and local travel. As per the letter read as 5th paper above, the Mission Director, AMRUT has reported that the cost of air travel to and from Israel shall be met under the A& OE funds of AMRUT 2.0. Mission Director has requested to accord sanction to Shri. Sandeep. K.G Chief Engineer, Local Self Government Department, Government of Kerala, who have successfully participated in all the previous training programmes held at IIT Madras and included in the the list of nominations to visit Israel as a part of Indian delegation, to participate in the exposure visit scheduled in Israel from 22nd June to 27th June 2025,

5. Government have examined the matter in detail and are pleased to accord sanction to Shri. Sandeep K.G, Chief Engineer, Local Self Government Department, to participate in the exposure visit to Israel scheduled from 22nd June to 27th June 2025, to gain first hand knowledge of Israel's leading practices in urban water management, desalination, waste water reuse, and advanced water technologies. To and fro air journey for the above purpose is also sanctioned.
