 - (l) Availability for construction work of technical personnel as stated in the Appendix to ITB
 - (m) Copy of PAN Card issued by Income Tax Authorities and copy of GST registration issued by the Goods and Services Tax department
 - (n) Undertaking of the bidder to the effect that near relatives and retired gazetted officers are not and will not be in his employment.

The details shall be send to **Kerala State Rural Roads Development Agency**, 3rd Floor, Revenue Complex, Public Office Compound, Vikas Bhavan P.O. Thiruvananthapuram, Kerala PIN-695033 on a date not later than three working days before the opening of technical qualification part of the Bid, either by registered post , speed post or by hand.

5. Last Date/ Time for receipt of bids through e-tendering: **05PM**

6. The site for the work is available.

7. Only online submission of bids is permitted, therefore; bids must be submitted online on website www.pmgstenders.gov.in. The technical qualification part of the bids will be opened online at **11 AM** on **22-07-2026** by the authorized officers. If the office happens to be closed on the date of opening of the bids as specified, the bids will be opened online on the next working day at the same time.

8. The bidder is not required to quote his rate for routine maintenance. The rates to be paid for routine maintenance are indicated in the Bill of Quantities. Further, the payment for routine maintenance to the contractor shall be regulated based on his performance of maintenance activities.

9. The bids for the work shall remain valid for acceptance for a period not less than ninety days after the deadline date for bid submission.

10. Bidders may bid for any one or more of the works mentioned in the Table above. To qualify for a package of contracts made up of this and other contracts for which bids are invited in the same NIT, the bidder must demonstrate having experience and resources sufficient to meet

the aggregate of the qualifying criteria for the individual contracts.

11. The list of equipments /machineries proposed to be used for construction will either be owned or will be taken on Lease or on rental basis to ensure that they meet contract requirements. Depending on the type of technology sanctioned in each road, relevant machineries as envisaged in the SBD will be brought to site for execution by the contractor. A list of technologies adopted in PMGSY works along with the mandatory equipments are also enclosed in SBD .

12. The rates quoted by the contractor shall deemed to be exclusive of the Goods and Services Tax (GST) but including labour cess, other levies, duties, royalties, cess, toll, taxes of local bodies and authorities that the contractor will have to pay for the performance of this contract. The employer will perform such duties in regard to the deduction of such taxes including GST at source, require deductions in this reference will be made as per applicable law. GST as per prevailing rate at the time of payment/bill submission shall be made applicable presently @ 18%) and shall be paid on the whole work carried out as accepted by the engineer, while making the payment.

13. Since e-tender is a service provided by Government Department the recipient of the service is liable to pay the GST at 18 percent under Reverse Charge Mechanism. The recipient of the service has to issue Reverse Charge Invoice to the Government department. The bidder has to pay to GST at 18% under Reverse Charge Mechanism. The Government department has to collect e-tender fee only and the GST amount the bidder will pay to GST department directly.

14. All charges related to Government service is increased with effect from 01.04.2018 by 5% vide GO (P) No.44/2018/Fin dated 17.03.2018 and from 01.04.2019 by 5% vide GO (P) No.28/2019/Fin dated 08.03.2019.

15. To ascertain the quality, installation of a Global Positioning System (GPS) system is important through which monitoring of deployed equipment can be assured. In this regard a letter No. NRRDA-P017(25)/7/2021-Dir. (Tech), dated 31st Jan 2022 has been circulated among states to install GPS system in key machineries and equipment engaged in execution of road works. Copy of the letter is attached at Annexure I of SBD. In this regard in all mandatory equipments engaged by contractor to assure quality, facility for installing Global Positioning System (GPS) should be assured by the contractor.

16. The Technical bids received will be submitted to the pre-qualification tender committee for evaluation and financial bid of the qualified bidders alone will be opened after intimation. . The bid for the work shall remain open for acceptance for a period of ninety days from the date of opening of bids. If any bidder/ tenderer withdraws his bid/ tender before the said period or makes any modifications in the terms and conditions of the bid, the said earnest money shall stand forfeited.

17. Other details can be seen in the bidding documents. The Employer shall not be held liable for any delays due to system failure beyond its control. Even though the system will attempt to notify the bidders of any bid updates, the Employer shall not be liable for any information not received by the bidder. It is the bidders' responsibility to verify the website for the latest information related to the tender.
